

St. Paul's Epistle

July 7, 2024

Note From The Pastor

Summertime is upon us once again, but this summer starts off with thankfulness and sadness,

Our organist, Rebecca McClain will be leaving us after twelve wonderful years. She and her family will be moving to Tennessee. Sunday, June 30th will be her last Sunday with us with the one service at 10am, history by the time you read this.

We, of course are thankful that she blessed us with her talent and are sad that it is now time for her to move on.

It doesn't seem possible that twelve years have gone by and it is true that time flies when you are having fun and enjoying the people around you.

I loved coming not the church especially on Sunday mornings and hearing the prelude or postlude before anyone else.

One strange moment but true came as Rebecca was playing a piece on the piano in the Church and Donald was on the same note playing as you enter Hoffner Hall. Stange world.

I will also miss Matt, Rebecca's son, who has one of the best reading voices and has been a mainstay in many of our plays. Thanks to Ray for loaning us his cymbals for Earth and All Stars.

Thankful for a wonderful human being with enormous talent. We will miss you. Pjh

WELCA

During July & Aug WELCA will be collecting monetary donations for the Magdalene Project, a part of the Union Mission in Savannah. The Magdalene Project was established in 1990 and is a twenty (20) bed emergency shelter for homeless women and their children. The shelter program provides participants with a stable environment and the supportive services necessary to be successful in supporting their families.

We will also be collecting to add to our annual Lutheran World Relief donations. We usually contribute personal care kits, quilts, fabric kits and school kits. Our annual spaghetti dinner August 11th will be the last opportunity for these contributions for LWR.

If you would like to read more information about either of these on-line go to: www.facebook.com/groups/MothersForMag or lwr.org

Reminder

The Fresh Air Home at Tybee Island has an agreement with Fleet Feet, 3405 Waters Avenue. If you have old tennis shoes, no matter the condition, you can deposit them in a container at Fleet Feet. If the shoes are in good shape they are donated to the Fresh Air Home. If they are not usable, the shoes are shipped to someone who recycles the products used to make the shoes and the funds generated are then sent to the Fresh Air Home. This is a good way to dispose of those old shoes that you don't use anymore.
